

# FORMATIONS - OBJECT 011 COCKTAIL

Inspired by earthly and otherworldly landscapes, the FORMATIONS series explores organic textures cast in translucent resin to evoke vivid, surreal terrains.

Each tabletop is rendered in softly tinted or clear resin and paired with salvaged steel tubes, refurbished into polished, sturdy bases. A dramatic textured underside is visible through the glossy, polished surface of the tabletop, with a precision-routed groove ensuring a seamless, nested fit between top and base.

OBJECT 011, 2024

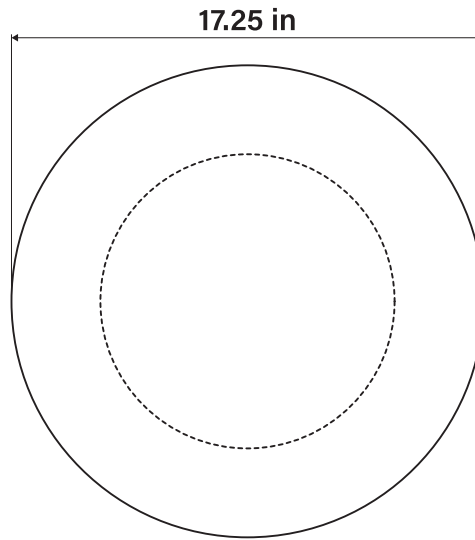

Materials: Resin, pigment, steel.

Origin: Canada

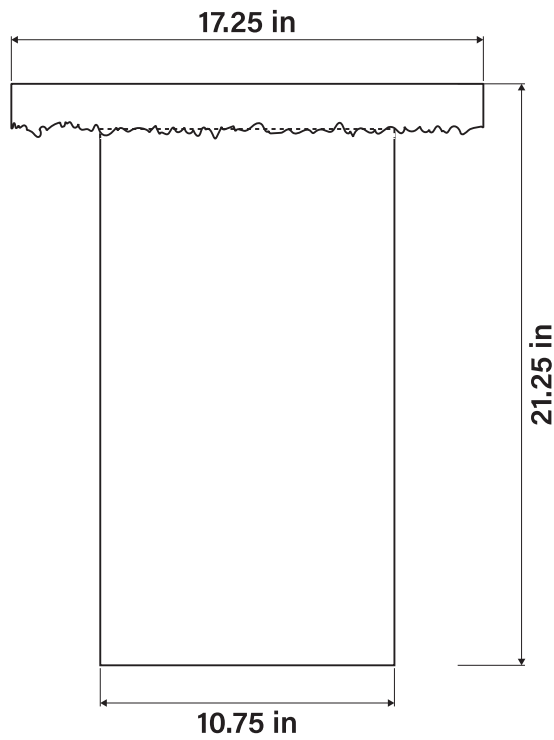

Production: 6-8 weeks

Dimensions: 17.25" W x 17.25" D x 21.25" H
